

LTCCC Needs Your Support Today!

*"I don't have big expectations.... I'd like him to be safe, fed and clean. ...
But even that isn't done." – A wife of a nursing home resident.*

The Long Term Care Community Coalition (LTCCC, formerly the Nursing Home Community Coalition) needs your support to help us protect the rights of seniors, the disabled and other long term care consumers. We are at work with your state policy makers to help insure nursing homes are adequately staffed with well trained workers, assisted living residences are licensed and to establish guidelines to keep residents clean, safe and healthy. You can earmark your donation to be used for any of our programs. See below.

LTCCC is a 501(c) (3) organization and your contribution is fully taxdeductible.
